-----------	-----------------------------------	--------	----------------------	--------------	----------------------

4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
(2) Sound	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

We support the recognition that housing in Locality 4 should be focused in and around Codsall/Bilbrook. The settlement benefits from a range of services and facilities including two railway stations. It is one of the most sustainable locations for development in the Plan area.

Codsall/Bilbrook are ideally located to accommodate additional development and the number of dwellings at the proposed allocations should be maximised to take advantage of their sustainable locations.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Additional development should be directed towards Codsall. Codsall is one of the largest and most sustainable settlements within the Plan area and readily capable of accommodating additional growth. The Council should encourage densities to ensure that the best use is made of those sites which are proposed as allocations.

(Continue on a separate sheet /expand box if necessary)

**Please note:** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

It is our view that an insufficient amount of development is being directed toward Codsall. We would like to attend the examination to discuss this issue.

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

**Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.**
