Dear Sir, Madam,

Many thanks for consulting Historic England on the South Staffordshire Local Plan Regulation 19 Publication Consultation, December 2022 and accompanying Strategic Environmental Assessment Report, December 2022.

Please find our comments to these consultation documents appended to this letter, in Table 1.

We welcome the Council preparing a Historic Environment Assessment Report to evidence their Local Plan and we support an iterative process which has evolved throughout the life of the Plan process.

We have made a variety of comments to both local plan policy and the proposed site allocations, in chronological order of the Plan.

If you have any questions, please contact us.

Kind regards

Kezia Taylerson
