3. To which part of the Local Plan does this representation relate?

Paragraph	<input type="text"/>	Policy	HC17:Open Space	Policies Map	<input type="text"/>
-----------	----------------------	--------	-----------------	--------------	----------------------

4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Clowes objects to the policy HC17, because it is not effective or justified. The policy states that "smaller areas of incidental green infrastructure without a clear recreational purpose (e.g. landscape buffers, highways verges) and areas without public access will not count towards meeting the quantitative on-site open space standard". No definition of what constitutes 'small' is provided nor how applicants can demonstrate that it serves a purpose.

SSDC has also not provided any information to justify why small areas of green infrastructure will not be regarded as part of the open space provision. Landscape buffers, highways verges and other small areas of green space, may not always be 'useable' from a recreation perspective but they can still provide visual benefits for residents and place-making as well connecting green infrastructure across sites with the wider network.

We request that Policy HC17 be amended to remove reference to smaller areas of incidental green infrastructure not forming part of the on-site open space standard. This blanket requirement is too restrictive and does not allow enough flexibility.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

We request that Policy HC17 be amended to remove reference to smaller areas of incidental green infrastructure not forming part of the on-site open space standard. This blanket requirement is too restrictive and does not allow enough flexibility.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To provide oral evidence and engage in the Examination discussions on this matter.

***Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
