3. To which part of the Local Plan does this representation relate?

Paragraph Policy Policies Map

4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>
(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input checked="" type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Table 2 – SWAT Analysis, confirms that there is a demographic imbalance in South Staffordshire, with a higher than average proportion of residents aged 65 or older with a projected decline of families and working age residents. This will lead to a decrease in the size of the workforce in South Staffordshire. This is coupled with continued development at a series of significant strategic employment sites in South Staffordshire, including I54, FAO Featherstone and the West Midlands Interchange leading to greater investment and prosperity. There is, therefore, an identified mismatch between the potential size of the workforce and job opportunities.

Table 3 – Homes and Communities – Issues and Challenges, advises that there is also a mismatch between existing housing stock and future housing need. There is a requirement to provide smaller residential properties for younger families and older people wishing to downsize and free up family sized accommodation. House prices in the district have continued to increase, making properties less affordable.

There is also a requirement to help to deliver a proportion of the significant amount of housing need arising from the Black Country and Birmingham.

Within this context, it is advised that there is pressure on the South Staffordshire to release land for housing, particularly in the Green Belt and open countryside, which is "acute".

The housing pressures and need to support economic growth are an opportunity more so than a constraint. While this may result in land being removed from the open

countryside and Green Belt, this should be fully supported by the local authority in the most suitable and sustainable locations.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The issues and Challenges for South Staffordshire section of the Plan should be re-drafted to reflect the fact that the housing and employment pressures that the local authority are under is an opportunity as much as a challenge. Delivering sustainable development should be at the heart of the Plan and it should look to facilitate delivering this development in the most suitable locations.

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
