Sport England welcomes the removal of the Playing Pitch Assessment and Indoor Sports Facilities Needs Assessment from the key evidence base documents associated to the policy as previously set out in the Reg 19 Nov 2022 consultation document.

However, the policy still list sports venues within the remit of the policy though the criteria for such facilities would not be compliant with NPPF paragraph 103 and it is also unclear if the facility would be covered by policy HC18. It should also be noted that sporting venues can meet a need greater than the local community such as stadia sites as highlighted within Coventry Stadium appeal decision <https://acp.planninginspectorate.gov.uk/ViewCase.aspx?caseid=3322013>

If this facility type is to be retained within the remit of the policy then a needs assessment should be submitted demonstrating that the facility is surplus to requirement and a replacement facility should be at equivalent in quantity and quality. It should also be acknowledged that certain sites can meet a wider than local need.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Sport England seeks the removal of sporting venues from the remit of the policy.

If this facility type is to be retained within the remit of the policy then a needs assessment should be submitted demonstrating that the facility is surplus to requirement and a replacement facility should be at equivalent in quantity and quality. It should also be acknowledged that certain sites can meet a wider than local need.

(Continue on a separate sheet /expand box if necessary)

**Please note:** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

**Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.
