(where relevant)

Part B – Please use a separate sheet for each representation

Name or Organisation:

3. To which part of the Local Plan does this representation relate?

Paragraph Policy Policies Map

4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input type="text" value="X"/>	No	<input type="text"/>
(2) Sound	Yes	<input type="text"/>	No	<input type="text" value="X"/>
(3) Complies with the Duty to co-operate	Yes	<input type="text" value="X"/>	No	<input type="text"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.
 If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Clowes objects to the policy NB4, because it is not in accordance with national policy, justified or effective. This policy proposes to strengthen the protection of trees and hedgerows. The NPPF protects ancient woodland and ancient and veteran trees (paragraph 186c), there is no national requirement to protect all trees.

Trees of course make an important contribution to well-being and provide biodiversity benefits. We do not consider that Category C or U trees should be afforded any specific protection within the policy. In order for Policy NB4 to be consistent with national policy (paragraph 35d), it should be amended to remove protection of trees which are not defined as 'irreplaceable habitats' (NPPF Annex 2).

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

In order for Policy NB4 to be consistent with national policy (paragraph 35d), it should be amended to remove protection of trees which are not defined as 'irreplaceable habitats' (NPPF Annex 2).

(Continue on a separate sheet /expand box if necessary)

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To provide oral evidence and engage in the Examination discussions on this matter.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
