See Planning and Development Board Report and Minutes  
of the P&D Board held on the 21st May 2024

It is not considered that the Plan is positively prepared, justified or effective especially in light of the previous Reg 19 Publication Plan (i) 2022, and the evidence for that Plan which still exists. It does not adequately address the unmet need in relation to the housing shortfall for the Greater Birmingham and Black Country housing market area. The resulting major reduction in the housing proposed to address that unmet need within the latest Reg 19 Publication Plan, will have an impact on the level of unmet need remaining overall, increasing pressure on other adjoining authorities.

(Continue on a separate sheet /expand box if necessary)

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

That South Staffordshire Council reconsider or revise the reduced level of housing proposed to better address the unmet need in relation to the housing shortfall for the Greater Birmingham and Black Country housing market area, to better reflect the relationship (e.g. in terms of commuting levels and travel to work areas) between South Staffordshire Council and Birmingham City and the four Black Country authorities and proportionately address the unmet needs.

(Continue on a separate sheet /expand box if necessary)

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?
