4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

The proposed policy requires a range of specialist housing to be delivered on site, both within market and affordable sectors. It is not clear whether this is a continuation of the Council's current approach of requiring 10% of all homes to be delivered as bungalows or other ground floor accommodation.

It is considered that a specific requirement for bungalows is not appropriate if instead the Council pursues a policy of requiring 100% of all homes to meet optional M4(2) requirements. M4(2) dwellings are described as making: "*reasonable provision for most people to access the dwelling and incorporate features that make it potentially suitable for a wide range of occupants, including older people, those with reduced mobility and some wheelchair users.*"

The Strategic Housing Market Assessment 2022 (SHMA) includes an assessment of the need for specialist accommodation for older people and the potential requirements for housing to be built to M4(2) and M4(3) housing and technical standards.

The SHMA concludes that, in general, South Staffordshire District has an older age structure (in terms of older people) compared with the wider region and nationally. It is recognised that the older person population is likely to increase over the plan period, however an ageing population affects the whole country and is not an issue specific to South Staffordshire. The Government has consulted on raising accessibility standards for new homes but the requirement for all homes to meet M4(2) standards is yet to be mandated. If the Council intends to pursue a policy in respect of M4(2) standards this must be evidenced.

The SHMA published in 2021 identified a need for 1,793 accessible and adaptable general homes for those over 65 and 1,235 for those under 65 to 2038. The SHMA (2022) increases this identified need to 2,172 accessible and adoptable general homes for those over 65 and 851

for those under 65 to 2040. It is not clear why these figures have altered so significantly in such a short space of time. However, the need equates to less than 30% of the planned housing supply to 2039. Taylor Wimpey considers that whilst there may be justification for implementing optional M4(2) standards, the 100% requirement is not justified (NPPF paragraph 35b).

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

The Policy should be amended to require a maximum of 30% of all new homes to be delivered to meet the optional M4(2) standards, especially where this could be in addition to other homes for older people and others with special housing requirements required by Policy HC4.

**Please note:** In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

**After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.**

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

**No**, I do not wish to participate in hearing session(s)

**Yes**, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To provide oral evidence and engage in the Examination discussions on this matter.

***Please note** the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.*
