4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Our client **objects** to draft Policy NB1.

Draft Policy NB1 states in relation to Locally Designated Sites (SBRs and LNRs): “Sites that lie outside of a formal designation but which meet the criteria for designation whether that be statutory or non-statutory site designation will be afforded the same protection as if it were to be designated, and applications affecting such sites must assess the site against the Local Wildlife Site Assessment Criteria.”. [Savills emphasis]

The NPPF states that plans should safeguard wildlife-rich habitats “including the hierarchy of international, national and locally designated sites of importance for biodiversity” (paragraph 185a). There is no national requirement to afford all sites which meet the criteria for designation, with the same protection as if it were designated. We therefore consider that the policy should seek to protect only local designated sites.

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

Policy NB1 should be amended to remove reference to the protection of sites that are not formally locally designated in order to be consistent with national policy (paragraph 35d).

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To provide oral evidence and engage in the Examination discussions on this matter.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
