3. To which part of the Local Plan does this representation relate?

Paragraph Policy Policies Map

4. Do you consider the Local Plan is :

(1) Legally compliant	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>
(2) Sound	Yes	<input type="checkbox"/>	No	<input checked="" type="checkbox"/>
(3) Complies with the Duty to co-operate	Yes	<input type="checkbox"/>	No	<input type="checkbox"/>

Please tick as appropriate

5. Please give details of why you consider the Local Plan is not legally compliant or is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.

If you wish to support the legal compliance or soundness of the Local Plan or its compliance with the duty to co-operate, please also use this box to set out your comments.

Policy NB2 states that "consideration must be given to the aims and objectives of the Local Nature Recovery Strategy".

The Staffordshire and Stoke-on-Trent Local Nature Recovery Strategy ('LNRS') is currently being developed by Staffordshire County Council and Stoke-on-Trent City Council. Therefore, the document has not yet been published and no public consultation has been undertaken on the document. Planning Practice Guidance ('PPG') states that all "planning policies need to be based on up-to-date information about the natural environment" (Paragraph: 043 Reference ID: 61-043-20190315). The PPG also goes on to state that "evidence needs to inform what is in the plan and shape its development rather than being collected retrospectively".

Policy NB2 has not been informed by up to date information and shaped by evidence, as the Local Nature Recovery Strategy has not been produced yet. This policy is therefore not justified or consistent with national policy (NPPF paragraph 35b/d).

6. Please set out the modification(s) you consider necessary to make the Local Plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified at 5 above. (Please note that non-compliance with the duty to co-operate is incapable of modification at examination). You will need to say why each modification will make the Local Plan legally compliant or sound. It will be helpful if you are able to put forward your suggested revised wording of any policy or text. Please be as precise as possible.

In order for Policy NB2 to be justified and consistent with national policy (paragraph 35b/d), it should be amended to remove reference to complying with the Local Nature Recovery Strategy until stakeholders have had an opportunity to review and comments on the proposals.

Please note: In your representation you should provide succinctly all the evidence and supporting information necessary to support your representation and your suggested modification(s). You should not assume that you will have a further opportunity to make submissions.

After this stage, further submissions may only be made if invited by the Inspector, based on the matters and issues he or she identifies for examination.

7. If your representation is seeking a modification to the plan, do you consider it necessary to participate in examination hearing session(s)?

No, I do not wish to participate in hearing session(s)

Yes, I wish to participate in hearing session(s)

Please note that while this will provide an initial indication of your wish to participate in hearing session(s), you may be asked at a later point to confirm your request to participate.

8. If you wish to participate in the hearing session(s), please outline why you consider this to be necessary:

To provide oral evidence and engage in the Examination discussions on this matter.

Please note the Inspector will determine the most appropriate procedure to adopt to hear those who have indicated that they wish to participate in hearing session(s). You may be asked to confirm your wish to participate when the Inspector has identified the matters and issues for examination.

Representations cannot be kept confidential and will be available for public scrutiny, including your name and/or organisation (if applicable). However, your contact details will not be published.
