Policy HC3 requires proposal for major residential development to provide 30% of all dwellings as affordable housing. The use of the term 'major residential development' in this context requires a definition to save confusion as to what size of development affordable housing becomes a requirement, it is presumed to be the same as that within the NPPF Glossary.

The Council's position to continue with the established approach of using Section 106 planning obligations to secure the necessary infrastructure to support and mitigate the effects of new development is supported.

The frequent reference to further guidance being provided by the Affordable Housing SPD is noted. The SPD should do no more than clarify the Local Plan policy. The SPD is not the appropriate approach for setting new policy and or burdens on delivery, and the Plan should provide clarity at the point of adoption as to what it requires
